Originally the project goal was to donate work to 10 or perhaps 15 museums, with a total estimated "gallery retail" value of \$150,000. As of today we are at 82 museum donations. Prints donated to date: approximately 1,380. The donated print value appears to be \$2,211,750.00, with additional museums still on my "active" list. — RvS

Robert von Sternberg on Time and Costs for TMP

Perhaps this will help: if all goes well I need 10 minutes +/- per image printing time x 471+ prints = 78.5+++ hours (382 RvS prints, 89 Robert Fichter prints) + some Photoshop time.

The bulk of the 4,000+ hours that I have spent on the project was in research and correspondence administering the project.

Packaging and shipping, plus printing time might have totaled out at 200 hours???? That leaves over 3,800 hours for keeping the project moving forward.

RvS shipping costs: packaging for shipping to 81 museums x \$23. = \$1,863. (that was not reimbursed by the recipients as *we agreed to provide packaging costs*).
FedEx expenses were always paid by the museums as a condition of receiving a donation from the project.

RvS printing costs: \$2,737 (including the Fichter printing expenses, which I absorbed).
